MUS TOURNAMENT BEING PLANNED FOR CHINO BASQUE CLUB MEMBERS

It is being reported that significant progress against COVID-19 has been made. In California over 20 million vaccines have been administered and hospitalization rates have stabilized as of this week.

On June 15, California will fully reopen its economy across the state as long as there is enough vaccine supply for 16 years and older to be vaccinated and the hospitalization rates remain stable and low.

Consequently, the Chino Basque Club board has decided to proceed cautiously with a **mus tournament**. This tournament will only be open to full members (which includes family memberships) as well as honorary members.

We would ask that if you would like to play and have not been vaccinated, do give it serious consideration for **everyone's** health and safety.

At this point we are looking at mid-July. Be sure to read the **June newsletter** for full detail.

Members receiving the newsletter electronically will only be able to access the Annual Report on the website under "Members Only."

Please stay tuned for more details.

Again we urge all those who have not been vaccinated to please do so. We do not want to compromise our community in any way.
